SENATOR NORE: I would like to ask Senator Stull a question if he will yield?

SPEAKER: Senator Stull would you yield to a question?

SENATOR NORE: Now this is a twenty four hundred dollar maximum payment, or minimum?

SENATOR STULL: No, Senator Nore, this is a , would be the minimum, and I don't think you're going to hire anyone that would even take it on a part time basis for less than probably twenty four hundred dollars.

SENATOR NORE: I was told several years ago, when we had the salary bill before this body, that some of the judges come to the office about once a week, is that true?

SENATOR STULL: Senator Nore, I think the problem varies in each of the counties, now in some of the counties, this bill is flexible enough, but the county clerk will assume duties of an associate judge.

SENATOR NORE: Fine. That twenty four hundred will figure in on a salary that he is already getting, in addition.

SENATOR STULL: It would be additionally, now -

SENATOR NORE: Over and above what he is already receiving?

SENATOR STULL: Oh no. Senator Nore if the county clerk takes this job, he still, still receives only one thousand dollars in advance of his, plus his other salary.

SENATOR NORE: Fine.

SENATOR STULL: This was to take care of where the county clerk didn't want the associate judge.

SPEAKER: Is there any further discussion to the bill. The question is shall LB 40 as amended be advanced from general file to E&R initial, all those in favor vote aye, all those opposed vote no. We are voting on the advancement of LB 40 as amended and as explained by Senator Stull from general file to E&R initial. Have you all voted? The Clerk will record the vote.
